MUST FURNISH NEW TREES.

Park Commissioner Willcox's Order to Subway Contractors.

Park Commissioner Willcox sent word yesterday to the sub-contractors on that part of the Rapid Transit subway which runs through upper Broadway, that they must stop inuring nearby trees by hitching wire ladders to them.

The Commissioner also said that he would insist upon the subway contractors replacing the trees over the finished work along Broadway above Fifty-ninth street this fall. The trees must be 15 feet high and 4 inches in diameter at the base of the trunk, he said.

Men's Summer Clothing.—2d Fl., Rear.

Twelve Dollar Blue Serge Suits At \$8.96

The style is smart—three-button double-breasted coats—closely clinging narrow collars—long lapels; the trousers are cut after the newest model—very full at the thighs and finished with belt loops. The serge deserves stronger words than we use. It is firm—a standard grade—light weight—and wear will show that it possesses all the peculiarly desirable qualities that make the weave the favorite fabric for general knockabout service. Fast color, of course, indigo dyed, warranted to stand sun and storm without change. The same in single-breasted at \$7.96.

Men's Twelve Dollar Coat-and-Trouser Suits at \$7.96.

Two hundred Men's Two-piece Suits, made of Donegal and Ontario homespun, gray and brown mixtures, checks and stripes. They look cool and make you feel cool. Made to sell at \$12.00; choice at \$7.96. Worth being quick for.

The Suits are beauties—unfinished "featherweight" worsteds—half-lined with silk serge. They are as dressy as any man could need for warm weather. Every one of them left the tailor's hands to sell at \$22.50; but there were vicissitudes ahead that were not reckoned on—and the price suffered—choice at \$14.78.

WHEN GODDARD IS ALDERMAN

Everything Will Come Out Clean in the Reformed By-and-By.

"Capt. Goddard is the one available man for municipal filter," said one of his friends at the City Hall yesterday. "The city needs him to purify the Board of Aldermen. Put him in the board and everything will come out clean. We've got to make him

an Alderman." The Captain's friends promise to make a lively canvass for him when they start in. A fusion Alderman was nominated in the Twentieth district in 1901 and was elected. W. J. Whitaker is his name. He was one of the Aldermen who stood with Tammany in the Pennsylvania tunnel hold-up. It was supposed that he was in Capt. Goddard's control. When his name on the tunnel proposition was referred to, Capt. Goddard's friends always pointed out that Abe

These Are \$1.00 Shirts at 49c.—1st Fl., 34th St.

Men, Attention!

They are pretty; they are thoroughly good. You couldn't expect better at \$1.00. One of the most successful manufacturers made them to meet the demand for a safe, comfortable shirt at that price. However, he was not conservative in respect to production. His distributing power was unequal to his output. Usual result followed. We spared him the trouble of finding many small purchasers by relieving him of his entire surplus—paying just half regular rates. That's why you may buy splendid

Men's Summer Shirts at 45c

This is a fine collection of about two hundred and fifty dozens of Men's Negligee Shirts, made of excellent materials and with thorough shirtmaking throughout. The larger part of the lot consists of gray percale shirts, with plaited bosoms and detached cuffs. The designs are in black stripes and dots on gray grounds, which is the swell color for men's shirts this Summer. The balance of the lot consists of bright-colored madras and percale shirts, with plain fronts, all of which were made to sell at \$1; all have detached cuffs. This is a remarkable collection of summer shirts to buy right at the beginning of the season, at so little a price as 45c each.

Men's Plain White Golf Scarfs at 25c Each

These Scarfs are wanted by the half-dozen by all men who take part in outdoor sports, particularly golf and tennis players. They allow a man to dispense with his collar, and still look perfectly dressed.

These scarfs are made of handsome white and self-figured white cheviot, and sell regularly at 50c; today just half price, 25c each.

Men's Furnishing Store, Ninth street.

Two Offerings of Men's Suits

These are rare good times for men to pick out an attractive summer suit at a very large saving on its cost. We present today two offerings of suits that should be attractive at this time, even at the regular prices; but because the lots are broken in sizes, and we want to hurry them out quickly, we make the very positive reductions told of below:

\$20 to \$25 Suits at \$14.50

About one hundred Sack Suits of fine fancy worsteds, nobby chevils and homespun. Sizes are somewhat broken, but among the many small lots you will find your size. The best bargain in clothing made this year. Values are \$20, \$22 and \$25; today at \$14.50 a suit.

\$12 and \$15 Suits at \$8.50

About one hundred and fifty Sack Suits of black cheviot, Thibet and medium-color cheviot. Values \$12 and \$15; today at \$8.50 a suit. Second floor, Fourth ave.

Women's Shirt-waist Suits At \$4.75, worth \$6 to \$10

This is an interesting collection of about fifty Summer Shirt-waist Suits for women. They are made of white lawns, organdies, and figured lawns and ginghams in a variety of styles, with trimmings of lace, embroidery and hemstitching. Some of them are quite dressy, others are in tailor-made effects. They are dresses such as have been selling readily at \$6 to \$10 until today, when we make this special offering of \$4.75 a suit. Second floor, Broadway.

Then here are two other groups, at still lower prices:

Shirt-waist Suits at \$2.75; worth \$3.50

Of corded madras, in tan, green, blue and red; full front with plaits forming yoke effect; plaited back; waist buttoned at side; fitted skirt with stitched plaits.

Shirt-waist Suits at \$3.25; worth \$4.50

Of cheviot, in neat checks; black-and-white, blue-and-white and red-and-white; full front with stitched plaits; strap shoulders, French back; fitted skirt with graduated circular flounce trimmed with plaits; piped with white. Second floor, Tenth street.

The Child's Clothing

Summer Things at New Prices
